

MATERIAL SAFETY DATA SHEET

(Revision: 05/01/2008)

1. Identification of the Substance/Preparation and of the Company/Undertaking.

Product Type:

Trade Name: **E•Z Foil Tin Foil Substitute- Red-Clear-Green-Yellow- Blue (Tints)**

Company: **WDR Scientific, LLC**
117 Tiffany Avenue
Central Point, Oregon USA 97520
Emergency Telephone Number: (800) 653-0683
Fax Number: (541) 647-6576

Transportation **See Above**

Emergencies:

3. Hazard Identification.**Warning:** May cause eye irritation, or dryness. May cause respiratory tract irritation.**2. Composition/Information on Ingredients.**

This product is not considered a hazardous material in normal use as defined in the U.S. Department of Labor Regulations 29 CFR 1910.1200.

4. First-Aid Measures.

If in eyes: immediately flush with plenty of water for at least 15 minutes. Get medical attention. Remove material from eyes, skin and clothing.

If on skin: immediate first aid is not likely to be required. However, this material can be removed with water. Wash heavily contaminated clothing before reuse.

If inhaled: removed to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen.

If swallowed: immediate first aid is not likely to be required. A physician or Poison Control Center can be contacted for advice.

5. Fire-Fighting Measures.**Flashpoint:** not combustible**Hazardous products of combustion:** Not applicable**Extinguishing Media:** Not applicable**Unusual fire and explosion hazards:** None known**6. Accidental Release Measures.**

Steps to be taken in case material is released or spilled: Leaks or spills: All recovered material should be packaged, labeled, transported and disposed or reclaimed in conformance with applicable laws and regulations and in conformance with good engineering practices.

Waste disposal method: This material when discarded is not a hazardous waste as that term is defined by the Resource, Conservation and Recovery Act (RCRA), 40 CFR 261.

7. Handling and Storage.

Handling: Avoid eye contact. Wash thoroughly after handling. Keep container closed. Emptied container retains product residue. Observe all labeled safeguards until container is cleaned, reconditioned or destroyed.

Storage: Store in a cool, dry place.

8. Exposure Controls/Personal Protection. No Established Exposure Limits.

For persons with sensitive hands, gloves may be necessary to avoid excessive dryness caused by contact with the liquid. Minimize skin contamination by following good industrial practice.

When there is significant potential for eye contact, wear chemical goggles and have eye flushing equipment available.

9. Physical and Chemical Properties. Boiling Point (°F) >212°F Vapor Pressure (mm Hg) N/A Vapor Density N/A Solubility in Water N/A Specific Gravity >1 pH 8.8 Percent Volatile by Weight N/A Evaporation Rate N/A Appearance & Odor Faint pink slightly viscous liquid	
10. Stability and Reactivity. Incompatibility: None known Hazardous Decomposition Products: None. Basically stable	
11. Toxicological Information. Carcinogenicity: Not listed as carcinogen by OSHA, NTP or IARC.	
12. Ecological Data. No data available on this product.	
13. Disposal Considerations. No special requirements.	
14. Transport Information. No special labeling required.	
15. Regulatory Information. SARA: Hazard Categories under Title III Rules (40 CFR 370): Immediate. Section 313 Toxic Chemical(s): None CERCLA: Not applicable RCRA: This material when discarded is not a hazardous waste as that term is defined by the Resource, Conservation and Recovery Act, 40 CFR 261.	
16. Other Information. HMIS Rating: Health = 1: Flammability = 0: Reactivity = 0: Hazard: 4 – Severe; 3 – Serious; 2 – Moderate; 1 – Slight; 0 – Minimum
